36th Annual Report and Financial Statement Season 2002

Foreword

By Doug Delaney
DIZ Home Improvements

Ladies and Gentlemen,

It gives me great pleasure to pen a few words for your Annual Report. I must admit that I was somewhat apprehensive about taking on sponsorship of the Referees Association, especially with my “EXCELLENT” record on the field and at Judiciary. Anyway, I’ve been a sporting person all my life and always accepted the umpire’s decision, well most of the time.

This was my first time sponsoring the Penrith Referees Association. The aim of the sponsorship was to promote my business throughout the Penrith area. Through our sponsorship with the Penrith Referees Association; it has allowed me to spread the message “The Way Forward” towards Reconciliation. It also gave DIZ Home Improvements, an Aboriginal owned and operated company, the opportunity to support a non profit organisation such as the Penrith Referees Association.

It was nice to see my logo at local games throughout the year and especially when the end of year playoffs were played at Penrith Park. Also, I was extremely proud when I saw my logo when the Penrith junior teams were playing before the kick-off to the third State of Origin decider at Stadium Australia this year.

Next year I hope to be able to expand my sponsorship even further, but I’ll keep that surprise up my sleeve.

Merry Christmas and a Happy New Year “take care and travel safe”.
See you when I’m looking at yah!

Doug Delaney

Patron's Report

Despite efforts of higher levels to restrict the opportunities of young district referees to advance, Penrith can be proud of strong numbers in representative football.

My congratulations to Inter District grade, semi finals and final referees. You have held the association banner very high.

As one of the "Older Brigade" I was really proud of the dress and demeanour of all at the Ladies Night. Again, despite the ridiculous uniform, members presented themselves in an outstanding standard of dress.

I must make special mention of our trainer. His dedication in training all our active members is something to which we can all aspire. Well done Allan Farlow!

The new administration, "the Board" appears to have been effective during a difficult year. I thank them for their support to me in my limited role in the administration.

May I wish all members continued success in 2003. Due to the success of the recruitment of new members, our numbers appear to be static. To our younger members, your concentration in administering three sets of rules on Saturdays is to be admired.

A happy Christmas and enjoyable New Year to all,

L.O.MANUEL. J.P.

Patron

On behalf of Tony Danks, Les Matthews and Ian McCall

Editor's Note:

The Patrons Report was submitted by E-Mail proving yet again that you are never too young to learn!!!

President's Report

The 2002 season was a season of change for our Association with the establishment of the Board of Management and the move to bi-monthly meetings.

Early in the season we were pleased to welcome Diz Home Improvements as our major sponsor and look forward to a fruitful, on-going partnership.

An attractive new uniform was approved and supplied to all members with a subsidy from the sponsorship agreement.

Once again our recruitment program has been extremely successful along with the retention of referees from previous seasons. The Training and Development Program continues to bear fruit as evidenced by the progression of our younger referees to appointments in higher grades. For the first time I can recall, we had a surplus of referees suitably qualified and capable of officiating through the Saturday Finals Series. I would like to acknowledge the continued support from the District Club to assist in the implementation of these programs. The expertise of our Coaching Directors, Fred Lucas and Chris Heinemeyer, N.R.A.S Provider Barry Beveridge, Trainers Alan Farlow and Jason Robinson, and the contribution of our A Grade referees as part of their Level 3 accreditation is appreciated.

Participation in the Junior Representative Squad has increased with Phillip Haines, Greg Yates, Ricky McFarlane, Grant Atkins, Jay Farlow and John Woods, officiating regularly. Referees also performed with distinction at the Australian Schoolboy Carnivals. A number of our younger members refereed promotional games at Penrith Park and State of Origin matches.

We have continued to receive consistent support from the Penrith Junior League in all areas. The Code of Conduct for players and officials has been rigorously implemented and will continue to be a priority for the district in 2003. The Board of Management and Don Feltis are to be commended for their initiatives.

CONGRATULATIONS to: -

- Tony Butler – the Life Member recipient
- Phillip Haines for retaining the appointment to the A Grade Division 1 Grand Final
- Barry Beveridge, winner of the Merit Award which he previously won as a sprightly young referee in 1977.
- Luke Evans and his Social Committee for their catering expertise and organisation of Ladies' Night.

THE SEASON AHEAD

- We must consolidate on achievements this year.
- The Management Structure allows more time for training – please use this to improve your skills in all areas.
- Take careful note of all written communication and policies. We cannot expect support from the Junior League or our own Executive where we fall short in this area.
- Be united. Support each other and share in successes and achievements. Participate in everything that is offered. Nominate for office and sub committees.
- For our association to function, members need to donate generous amounts of their time. I would like to thank our energetic coordinator Gary Haines, efficient and capable Secretary and Treasurer, as well as fellow Board Members for their effective contributions during 2002.

Lastly I would like to thank all members for their commitment during a long season and look forward to welcoming you back in 2003.

Peter Browne

President

Secretary's Report

Dear Members,

Second year in the job and I'm still not sure if gets any easier. Thank you all for your patience and understanding in what was at time a very difficult year for me. At the start of the year, I had retired from the grade ranks as an active Referee and made myself available for active duties in Penrith. I also took up a position on the NSWRL Advisory Panel. My wife commented early this year "Gee, this will be just like when you were in Junior Reps only I'm not pregnant!!" Two months later, guess what? Anyway, as I write this report, my soon to be born son has so far refused to surface and will be "extracted" in two days if he doesn't come out of his own accord.

Anyway, enough about me, time to get on with the Associations 36th Annual Report. This document attempts to summarise the season that was. I hope you enjoy all this report has to offer.

We started this season without a major sponsor and undertook the task of outfitting all Referee's in the new Australian Referees Association uniform. Whilst the reaction from some people was mixed, for the first time in a long while, we didn't clash with any Junior League side. The task of outfitting all Referees is an enormous one. I would like to thank John Robinson and Allan Farlow for the efficient and friendly manner in which this was accomplished.

Early into this season we were contacted by Doug Delaney wanting to sponsor us. Anyone who has met Doug will be able to tell you that he has tremendous drive and enthusiasm for the game. Thus we plunged headfirst into what I'm sure will prove to be a long and fruitful partnership with DIZ Home Improvements. A big thank you to Geoff Dukes and Peter Butler for arranging the meeting with Doug.

This also meant recalling all the newly issued jumpers to have the sponsors logo placed on them and reissued back to the members. This was all done inside one week and again a big thank you to John Robinson and Allan Farlow for the accomplishment. Also thanks to Chris Ward and TriSports for their help as well.

I also wish to highlight the work of our Coaching Directors, Fred Lucas and Chris Heinemeyer as well as the NRAS Provider, Barry Beveridge. This season they have again provided training for 20 plus new Referees. All of this could not have been possible without the help of the Referees who gave up their time to train these new Referees, as well as Don Feltis, who gave us plenty of exposure in the local papers and lent us the complex for the courses. So successful were the courses run that the NSW NRAS co-ordinator Barry Ruttle chose Penrith as the venue to run the combined Level 2 course.

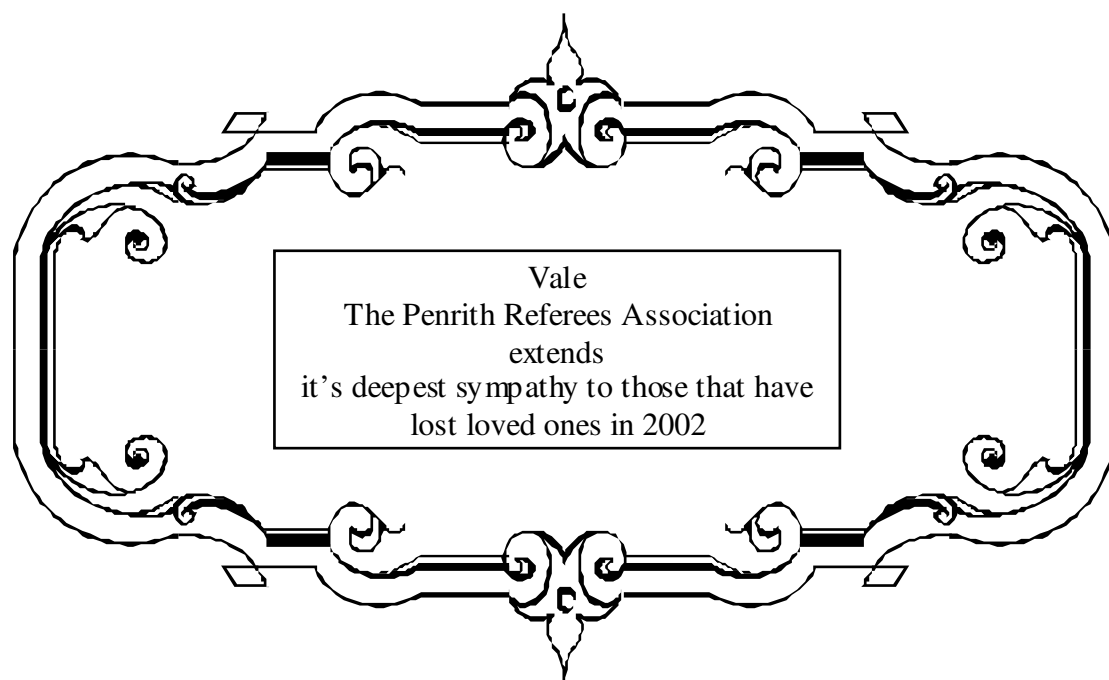

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

In a year when most Associations were losing members, we were actually gaining them. There are many reasons for this, but the support from the Junior League Board of Management would have to be one of the major factors. Whilst some clubs and individuals still use the Referees as an excuse for their clubs (or their own) shortcomings, most are far better behaved especially on Saturdays. We have the Junior League rules to thank for this transformation.

This year saw the introduction of the Board of Management to run the Associations affairs. This allowed the members more of their Refereeing time to train as the meetings changed to bi-monthly. Anyone who was active ten years ago or more will recall bi-weekly (fortnightly) meetings. This change was brought about to allow Referees to Referee and Train, and Administrators (the board) to administer. Hopefully next year will see more members at training to take advantage of the high level of skills and fitness, the Associations trainer provides.

This season was one of highs and lows. After Steve Clark decided the pressure was too much, Jason Robinson was rewarded with 85% of a first grade game. This was undoubtedly a high for the Association as Jason become the first Penrith Referee since Peter Filmer to reach this level. Peter is still the last member of this Association to be “appointed” to a first grade game after he informed the secretary that a country carnival match doesn’t count. Well done Jason!

On a more sombre note, 2002 saw Matthew Pritchard’s mother, Susan lose her fight with cancer. Matthew has always been one of the more cheerful members of this Association. The pain on his face was obvious for all to see. Our deepest sympathies go to Bill, Matthew, Brad, Craig and Nichole.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

I have the following congratulations:

- Don Courts on becoming a Grand Father,
- Jason and Jenny Robinson on the impending birth of their first child (Nice pre-season training method Jason),
- Jason Robinson again for 85% of a First Grade Game. (I have the photo for Fair Go Ref),
- My wife on the impending birth of our second child,
- Phil Haines on his appointment to his second A Grade Grand Final,
- Barry Beveridge on being the winner of the Jack Harris Merit Award,
- Fred Lucas on winning the Ray Steele Memorial Trophy and thus making my predication from last year come true,
- Thomas Aylett for winning the Michael Grady Merit Award for the second year in a row,
- Brad Filmer for winning the Reg Newsome Most Improved Junior Award,
- The Seniors for winning the Annual Grudge match against the Juniors again!
- Tony Butler for attaining his life membership,
- Especially big congratulations to Peter Butler/Luke Evans and the Social Committee on a superb Ladies Night.

People the Association would like to thank:

- Arnall Trophies for the wonderful work they have done with the Association Trophies,
- Emu Plains Sporting and Recreation Club for the use of the clubs facilities this year,
- Don Feltis, Tom and Bev Fink, Jack Myers, Helen Wright, and the other merry people of the Penrith District Junior Rugby League,
- Shane Richardson and the Penrith District Rugby League,
- And, especially Doug Delaney of DIZ Home Improvements.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

People I would like to thank:

- All the BOM members for making the job easier,
- Don Courts, for your encouragement and advice,
- Peter and Trish Browne, for all those phone calls and your patience and understanding.
- My daughter Caroline, for all her understanding and patience while Dad was going to football again.....
- Finally but by no means leastly, my wife Dale. Who kept me on the straight and narrow this year and made everyone's life much easier for the efficient manner in which she handled the secretary's duties.

Finally, as this report is for the Members, I'd much rather let them tell the story of the season that was, enjoy reading the rest of the Annual Report, have a happy healthy and wonderful Christmas and New Year break. See you all back on deck next year.

Brett Lynch

Honorary Secretary

Treasurer's Report

It is my pleasure to present the 36th annual financial report and statements of the Penrith District Rugby League Referees Association Inc. Please note that due to the tight time frame for printing of the Annual Report, the financial statements presented have yet to be audited. The audit report will be available to members at the Annual General Meeting.

Financial Report

The Balance Sheet shows a small deficit. When all clubs are up to date with payments, the result will be a small surplus. This surplus was due to:

- Majority of clubs being up-to-date with match fees because of weekly invoicing;
- The sponsorship from DIZ Home Improvements Pty Ltd;
- Grants received by the Association from NSW Rugby League Referees Association;
- Funds received from training courses conducted in March, May and September;
- Up-front payment from non-active and life members who attended the 2002 Ladies Night;
- A controlled budget on expenses as endorsed by the Board of Management;

Although we might have a surplus, we need to be continually watching our expenditure in case any emergencies arise in the future.

Sponsorship

Season 2002 saw the Association receive sponsorship from DIZ Home Improvements Pty Ltd for \$5000.00. On behalf of the Board of Management, we would like to thank Doug Delaney for his support and hope that we can continue our close relationship for season 2003.

As a result of exchange programs with other districts, our sponsor also received coverage in the Hunter Valley, Central Coast and at a State of Origin Match at Telstra Stadium.

Assistant Treasurer

Luke Evans was the Assistant Treasurer for 2002. He has done a splendid job with the collation of referee's fees for 2002. There were times where Luke's expertise was helpful and he should be congratulated for this. Thanks Luke.

Club Invoices

Season 2002 saw the Association adopt a new process in the weekly invoicing of clubs within the district. This process not only enabled clubs to budget satisfactorily for payment of match fees, but also enabled the association to take prompt action when payment of fees fell into arrears. Members might care to note the small amount of outstanding match fees from clubs as listed in the accounts receivable section of the Balance Sheet. I hope the Association can continue with this process in the future.

Outstanding Match Fees

The start of season 2002 saw a number of clubs with large amounts of Match Fees owing from the previous season. At the joint meeting between our Board of Management and the Junior League in February, it was agreed that:

If a club had not paid at least 50% of the outstanding amount prior to the start of the season, then the club could not participate in the competition until such payment was made.

No club could participate in the finals series if payment of Tax Invoices was more than one month late.

This has **now** become official policy of the Association and the Junior League, which must be enforced in the future.

GST Compliance

The Association has met all legislative requirements concerning the Goods and Services Tax (GST). The accounting system the association currently uses, has made the preparation of our quarterly Business Activity Statements (BAS) much easier. If there are any changes to the makeup of the GST, then the financial systems currently in use will need to be modified.

Accreditation Fee

On all members' statement of earnings in season 2002, there was a small amount allocated to **"other"** in your deductions. The NSW Rugby League Academy, in response to a directive by the Australian Sports Commission, introduced a registration fee for all new referees, or referees upgrading their accreditation during the year in the academy's database. Referees who do not upgrade their accreditation are exempted from this charge until it expires.

Conclusion

Being a treasurer of one of the largest referees associations NSW can take up time and there are a large number of people who have assisted me throughout this year:

- My fellow Executive and Board of Management members, who have been helpful throughout the season with ideas and issues that arise from time to time.
- Jason Robinson and Russell Turner, our unpaid auditors, giving me guidance and sound financial management expertise to ensure compliance were met.
- Don Feltis, Helen Wright and Gary Wilson from the Penrith Junior Rugby League for their assistance in ensuring all club fees are up to date.
- Andrew Farrell for his assistance with the Nutri Grain Cup referees fees.
- Luke Evans, as Assistant Treasurer, in compiling match fees for all active referees.
- My family for being there and supportive through good and bad times.

I hope everyone has a good off-season break and I look forward to seeing all your faces in season 2003.

Matthew Sosimenko

Honorary Treasurer

Financial Statement

This statement is provided as is. The Associations External Auditor has not audited this statement. The Associations financial year runs from November 1st through to October 31st. As such, it is not possible to have an audited statement ready in time for the printing of the Annual Report. The Audited statement will be available to members at the Annual General Meeting. If any member is unable to attend and wishes to see a copy of the Audited statement, please don't hesitate to contact the Secretary.

This paid political announcement is made on behalf of the Treasurer who didn't want to let anybody know that his computer had crashed!!!! So please keep this a secret!

Co-ordinator's Report

I am pleased to present my report to the members for Season 2002.

The major focus for 2002 was on further improving the skills of the referees, recruitment of new referees and rewarding on-field performance. I have absolutely no doubt we again achieved a high level of success in all three areas.

The season commenced last October with the Referees' Development Squad training under the guidance of Allan Farlow with Jason Robinson and Brett Lynch providing valuable support and advice. This group of young but experienced referees was identified as those that are not only talented and potential grade referees but more importantly, those who will form the nucleus of the active referees for years to come.

The group trained during the summer months with an excellent variety of training drills and activities, which set the platform for the season. There were several highlights including the training session held on the hill at Weir Reserve under the guidance of NRL referee Steve Richards, the lecture provided by his colleague Paul Simpkins and the "gut buster" with Rex Wright. Squad members were invited to train with the NSWRLRA Junior Representative Squad at Lidcombe Oval that provided them with an insight of the requirements to succeed at the next level.

The 2003 Development Squad has been selected which includes experienced referees blended with some fresh faces who will gain valuable experience from their participation. I also took the opportunity to review the program with some of the current squad members and their constructive feedback will see several changes to the 2003 program.

The Association had six members selected in the NSWRLRA Junior Representative Squad – Greg Yates, Grant Atkins, Rickey McFarlane, Phillip Haines, John Woods and Jay Farlow – and our goal is to increase that number in 2003. Rickey had a great season culminating in his appointment to a Harold Matthews semi final, Greg officiated in a Matthews quarter-final whilst both these members along with Phillip and Grant all refereed Flegg centres. Jay and John both had excellent debut seasons.

During the season both Rickey and Greg travelled to Canberra at the invitation of the NSWRLRA to officiate in the National U18 Championships. Rickey was appointed to referee the final with Greg appointed as touch judge. Congratulations to both referees.

The National U15 Championships were held at St Marys in July and four members, namely Tristan K'Nell, Kristylea Heinemeyer, Daniel Olford and Adam Dengate received invitations to officiate. All acquitted themselves with distinction and ensured their names were high on the list for future honours.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

Once again we continued with our innovative weekend recruitment program with coaching classes held at the Rugby League Complex in February, May and September. The recruitment program has proved to be a runaway success with another 28 new referees recruited – a wonderful effort. My thanks to the coaching directors, Fred Lucas and Chris Heinemeyer for their efforts this season along with great support from Barry Beveridge, Phillip Haines, Greg Yates, Grant Atkins and Rickey McFarlane.

I was pleased with the support by the members given to the pre-season seminar held in February at the Penrith Rugby League Complex. More than 40 members attended on the day that included a variety of topics and guest speakers. I would like to extend my appreciation to the guest speakers who all contributed to the success of the day.

Association training is an area that requires review. Firstly by those active members that are unable to attend on a regular basis and secondly, the venue which is sometimes used as an excuse for non attendance. Allan Farlow devotes a great deal of time to training the referees and deserves the full support of ALL the active referees.

The sheer volume of games played in the Penrith Junior League every weekend continues to amaze the most ardent of rugby league followers (just ask Shane Richardson!) and challenge the members' resolve and my wife's patience! More than 220 games were played every weekend with a total of 51 grand finals plus Panther Trophy, Nutri Grain Cup and school football.

It's only through dedication, determination and commitment by a Team of outstanding people that we survive. The efforts of the Appointments Board, Advisory Panel and Development Panel deserve recognition, but most importantly it's the active referees, that deserve our ongoing support. I thank each and every one of you for your efforts in 2002 and look forward to you all returning next year.

The final series in 2002 was the best that I have been involved with in more than 20 years – the referees' performances spoke for themselves and the Appointments Board's task was so much easier! I offer my congratulations to Phillip Haines (A Grade Division 1), Fred Lucas (A Grade Division 2) and Kristylea Heinemeyer (Under 15 Division 1) on achieving the major appointments this year. Phillip, at just 22 years of age, deserves special mention, joining a small but select group of referees to referee two A Grade Division 1 grand finals whilst we bid farewell to Fred who slips into semi-retirement.

In 2003 I propose to introduce a buddy system for the new referees during the trials and will also seek the support of the Junior Representative referees on the Development Panel. The willingness of many of our referees to undertake additional tasks and responsibilities is worthy of mention and I thank them for their continued support.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

I am most grateful for the tremendous support and advice of many people:

- The Association's Executive and Board of Management.
- The Appointments Board; members of the Advisory and Development Panels;
- Peter Browne, Allan Farlow, Jason Robinson and Brett Lynch;
- Don Feltis and the Board of the Penrith Junior League;
- Shane Richardson, Panthers CEO; and
- Helen Wright (my other secretary).

Season 2002 has set another benchmark – the overall standard of refereeing is at its highest level for many years. There is no time for complacency and the number one priority for 2003 is improved policing and enforcement of Safeplay. Yes, we must do better and various initiatives will be implemented to ensure all referees are consistent in the application of the rules of Safeplay.

Reflect on your achievements, no matter what level you attained, enjoy the off season and set your goals for 2003. Best wishes to all members and their families for a happy and safe Christmas and I look forward to seeing you on the field in 2003.

GARY HAINES

Referees' Coordinator

NSWRLRA Delegate's Report

This year started out well for the Penrith district with the announcement that two more members had been added to the already four Junior Representative Squad members we had with the NSWRLRA. They were John Woods and myself who joined Rickey McFarlane, Phil Haines, Greg Yates, and Grant Atkins.

After pre-season, the Junior Representative season followed with some great results achieved from those members of our district. Rickey McFarlane and Greg Yates were selected to represent NSW referees in the U/18 state championships in Canberra and refereed very well. This was depicted in the appointment of Rickey as the referee in the Grand Final and Greg being appointed to run the touchline. Success was also achieved with both Rickey and Greg appointed to Semi Finals in the Harold Matthews and SG Ball competitions with Rickey also appointed to a Final. Phil and Grant also had great seasons with both appointed to several Jersey Flegg centres throughout the year. John and myself enjoyed our first year in the squad, with both of us experiencing Harold Matthews and Jersey Flegg touchlines. All in all a successful year for our Junior Representative Squad members.

The year was a good one for head body beginning with the announcement of Barry Goldsworthy as their life member, as well as news of a slight increase in match payments for U/15 to A Grade which will come into effect next year. The A Grade Touch Judge has been given the largest increase. This increase brings this payment into line with all the other grades. This year, the Touch Judge in all grades (except A Grade) earned approximately 60% of the Referee's fee for that grade, the A Grade Touch Judge earned only 37% of the Referee's fee for A Grade. Next year the A Grade Touch Judge will earn 60% of the A Grade Referees fee. Maybe we can attract professional A Grade Touch Judges next year!!!!

Great achievements were gained by our graded members with Jason (accidental hero) Robinson receiving a late call up to referee in his first ever First Grade game, courtesy of Steve Clark. This was added to by his appointment as stand-by Referee for the one-off Test with Great Britain, Jersey Flegg Semi Final and Final of the Aussie Home Loans Cup Schoolboy Competition. Congratulations should also go to Russell Turner who ran a touchline in the Jersey Flegg Semi Finals, Allan Farlow who was in-goal touch judge in the Jersey Flegg Grand Final and Peter Sciberras who was stand by touch judge for the same game. Peter Filmer had another successful year as Video Referee in the NRL culminating in being named "Best in the Business" by Ray Hadley for the second year in a row. Brett Lynch traded in his flag and whistle for a crack at report writing and was rewarded with a Preliminary Final appointment. Well done to all.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

2003 brings with it new adventures with the change of head body's constitution and details of next years divisions still being agreed upon. However, as it stands the First Division will change over to become Premier League and the Metropolitan Cup will become the Sponsors Cup. Jersey Flegg is to be a ten week competition, SG Ball eight weeks and Harold Matthews played over a weekend. 2003 is a year to look forward to and is now just around the corner.

Jay Farlow

(NSWRLRA delegate)

Penrith Junior League Report

Firstly, let me congratulate your Association for a number of recent significant developments. The formation of a Board of Management to manage and overview the day to day and future progress of your Association will turn out to be one of the best things your Association has done. When the Junior League did it fifteen years ago, we surged ahead in leaps and bounds and have never looked back. As we expected, it took the clubs some time to accept and get used to the new structure, but once they did and they realised it was put in place for all the right reasons, they threw their support behind it and now wouldn't have it any other way.

I have already had the pleasure of working alongside members of your Board and attended meetings of our joint Boards and also been involved in many meetings with your President Peter Browne, Brett Lynch, Matthew Sosimenko and thoroughly enjoyed the experience.

The initiative of having a Referee's Co-ordinator is a very good management tool and has proved quite beneficial and it is one level of management that I believe needs to be concentrated on and taken as far as possible. Gary Haines is very enthusiastic, experienced and a good friend of the J.L.

I thought the overall performance of referees in this district throughout the 2002 season was very satisfactory particularly when you compare ours with other districts. The J.L. will continue to do whatever is required to support referees and particularly the younger ones who are exposed to the angry parent (and coach/official) on Saturdays and we intend to take the rule that forbids a coach or official approaching a referee even further.

After the J.L. Board's Annual Conference in November, we will be asking referees in the field to support some new rules in relation to indecent language and sideline behaviour, that we intend bringing in that we are sure will make everyone's role a lot easier. Rules will not work unless they are actioned and then adjudicated on. We will be asking referees to action the rules and we will guarantee you that we will play our part when it comes time for adjudication.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

I am confident that we will win the battle on the sideline against those who do not want to support our rules. I am sure that whilst ever the Junior League and the Referee's Association continue to enjoy a positive and friendly relationship, and are united when they face the challenges that will certainly come up from time to time, that we will always achieve a successful outcome.

Regards and best wishes to everyone for the remainder of 2002 and for Christmas and the New Year. I am looking forward to working with your Board of Management, your Co-ordinator and other managers in 2003.

Don Feltis

Chief Executive

don.feltis@panthers.com.au

N.R.A.S. Provider Report

Well, 2002 has been another successful season in the recruitment of Referees. All personnel involved are to be congratulated on their efforts in 2002. The Referees Association ran three Preliminary and Level 1 courses using for the first time Referees who were currently doing their Level 3 courses, their input was well received by all persons attempting the courses. Thank you for your efforts.

The number of new Referees in 2002, numbered 28 Level 1's at the time of this report. Penrith are involved in the first Level 2 combined course that has been run. This is being organised by Barry Ruttle, the NSWRLRA Education and Training Manager. Penrith will be providing the venue and other logistical support as required.

Year 2002 also saw four Referees awarded their Level 3 status, well done to these members. As I have previously stated, any organization is only successful if all persons involved are prepared to work together. I can say without any reservations, that the team of Educators at Penrith are a credit not only to themselves, but also to the game of Rugby League. Thank you all for a job well done.

May all members and their families have a safe and happy Christmas and New Year. See you all in 2003.

Barry Beveridge

N.R.A.S Provider

Directors of Coaching Report

Well Another year behind us and a great year it was for our Association. Our coaching staff had a very long and hard Year!!! We held Preliminary classes, Level One Courses and to finish the year off, Barry Ruttle from the NRL Held a Level Two course at our complex and commented what a wonderful complex Penrith have.

We would like to thank all our lecturers from the Penrith Association, Gary Haines, Peter Brown, Brett Lynch, Jason Robinson, Russell Turner, and Allan Farlow, for assisting us with the courses. Passing on to the new recruits, their experience skills, and knowledge in refereeing, (thanks Guys!) We would like to congratulate our Referees from the Junior Representative Squad who passed their Level Three certificate during this year.

A special thanks to our NRAS co-ordinator Barry Beveridge. Without Barry's Experience, Knowledge, Teaching Skills & Friendly Approach, these Courses would not have been so successful. A special thank you goes to our social committee, for the catering during the year.

Hope to see all of you in 2003 season

Yours in Sport

Fred Lucas, Chris Heinemeyer

DIRECTORS OF COACHING

Report on combined Level 2 course

October 2002

The combined Level 2 course ran over 2 days, Saturday the 19th and Sunday the 20th of October, with the New South Wales Rugby League Referees Association, State Manager of Education and Training, Barry Ruttle, as course provider, assisted by members of the Penrith District Rugby League Referees Association as presenters.

There were 19 Referees who were seeking their Level 2 accreditation. All formal requirements with the exception of Safety in Sport were covered. On the practical side Referees positional play and Touch Judge duties were conducted on the field at the rear of the Complex.

In the afternoon a full session of Gym work was done in the gym that forms part of the Complex, and was concluded with a session on motivation. Sunday was mainly to do with theory components of the work book. In the afternoon a Level 2 examination was completed by all Referees with the results listed as follows:

Examination results.

Pass mark 45/50

| | | | |
|-------------------|----|-----------------------|------|
| Brett Walsh | 45 | Kristy Lee Heinemeyer | 47 |
| Joel Whilesmith | 45 | Phillip Whilesmith | 47 |
| Shane Merry | 45 | Christopher Bradbury | 47 |
| Shaun Calvert | 45 | Phillip Hattch | 47 |
| Lyndsay Packer | 45 | Shane Hudson | 47.5 |
| Brendan Smith | 46 | Colin Smith | 47.5 |
| Cornelius Wouters | 46 | Michael Cassidy | 48 |
| Adam Cassidy | 46 | Stephen Ellison | 48 |
| Rydall Govender | 46 | Keith Topeski | 48.5 |
| Daniel Olford | 46 | | |

This was virtually a pilot course in the application of conducting a combined Level 2 course that covers people from all Referees Associations in New South Wales. The course was excellent in all aspects, with all presenters confident in their presentation knowledge of the subject material, and in the manner that was appreciated by all of the candidates.

The success of the course will be of benefit to Referees Associations in that they can now send all of their Level 2 applicants to a central venue in March and October of each year to do their Level 2 course. The handbook can still be done within the candidates own Association before each course and then presented at the course for correction and comment by the course provider.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

The only downside, if you want to call it that, was the workbook and manual being out of print and not ready in time for the course, forcing all applicants to complete the workbook satisfactorily before the Level 2 accreditation could be given. This must be addressed by the suppliers of the course material as soon as possible, so that in future courses, people will not be disadvantaged by the lack of suitable material.

In conclusion, it would be remiss of me if I did not sincerely thank the following people and organisations for their help in the completed Level 2 course. Don Feltis for permission to use the Junior League Complex, Tom Fink for his valued assistance in making sure that the complex was open and closed when it was required. The course provider, Barry Ruttle, presenters Gary Haines, Brett Lynch, Russell Turner, Jason Robinson, and Chris Heinemeyer. To Fred Lucas for the catering side of things and last but not least, Brett Lynch for his work in designing a certificate of attendance that was presented to all candidates at the end of the course. Well done everyone.

Yours in Rugby League,

Barry Beveridge

N.R.A.S. Provider

Training Report 2002.

Off season / development Squad:

The off-season training with the development Squad gained momentum from 2001, with more fun. We went from Manly and Bondi Beaches to Katoomba's Giant Staircase. With good attendances it pushed the members and developed the bonding with each other, to help them in the next football season.

Fitness and Conditioning:

During season 2002 the training was divided into two groups, fitness and skills. As a result I believe our on the field skills have grown greatly thanks to the keenness of the referees to learn and try new things on the field, helping them on their performance and developing much more confidence in their own ability. The results showed in the finals series with the competition amongst the referees, but the will to help each other through was a pleasure to watch, and all should be commended on the job well done.

The loss of fitness did show when the Parramatta V Penrith sports night, with the trophy won back by Parramatta. Jack Harris was very pleased with his group, and rightly so... But there is always next year.

A comment Graham Annesley made in a story headed from Junior Referee to test Referee: "There is no doubt that I am not the most talented referee to ever blow the whistle. However, I hope I have demonstrated that through a combination of dedication, fitness and perseverance, anyone can make it to the top and enjoy a very rewarding career as a referee, I wouldn't have missed it for the world."

I write this as a reminder that there are still concerns with the percentage of members actually attending training. In 2001 only one third (three of nine) of the members appointed as central referees to Sunday Grand Finals were regular attendees at training. This figure has doubled to two third (six of nine) were regular at training. Members who wish to be more competitive and would like to referee in the Sunday Grand Finals should take note of this trend. Maybe next year we can get nine from nine?

A great job done this season by those who attended training this year. I know that it is not easy juggling life and training together, with the commitment that some members have, and I commended them for the way they present the Association in such good light.

Go the Reds.

Allan Farlow.

Social Secretary's Report

It is an honour once again to present the Social Secretary report for the 2002 season.

I took over the role of social secretary half way through the season after the resignation of Peter Butler. I would like to thank Peter for his contributions to the Association during the first half of the season.

Thank you to the social committee members, Fred Lucas, Thomas Aylett, John Woods and Jay Farlow for all their help this year. It was great working with them as we all got along which made the job so much easier.

To the Board of Management and the Executive, thanks for your support.

The social activities in the association were quiet this year as we only had two BBQ's at training, compared to last year. The BBQ's that we did have went quite well thanks for everybody's help on the night.

The Ladies night once again was held at Penrith Panthers. It was a very enjoyable night with the food, drinks and entertainment being of a very high standard. Thankyou Peter Butler for organising the venue and the entertainment. The Juniors should congratulate themselves on their standard of dress, and their behaviour on the night. Once again the feedback was positive. Tony Butler became our Life Member in recognition of his contribution to the Association over the years.

The presentation day was held at Hickey's Lane after other grounds became unavailable at the last minute. The annual football match between the Seniors and Juniors was once again played with the younger members (SENIORS) of the Association winning on the day; the game was played in the right spirit. A big thank you to all who helped with the BBQ on the day, and to Chris Heinemeyer for the loan of his refrigerated van. Congratulations to all the winners of the different awards on the day.

It would be remiss of me if I didn't thank my wife, for her patience and support during the football season; especially her assistance in organising the ladies night was a great help.

To all members have a great off-season, which gets shorter every year and have a safe and happy Christmas.

Yours in Sport

Luke Evans

Social Secretary

The "News" Pages required regular updates with important information from the Secretary and Coordinator, as well as the Photo Album and "Fair Go Ref". It is intended that these pages provide current and valuable news for the members. It is advised that it is checked regularly, as copies of memos to active referees amongst other items appear on these pages.

The Recruiting Pages have again been successful. Coupled with the NRL Recruitment Campaign, our web site was responsible for attracting several of our new members. Such a large return on a small investment certainly makes this site a valuable resource.

It is pleasing to read the comments in the "Guest Book". Not only are people leaving comments about the website, our members are using the Guest Book as an avenue to leave messages of support and congratulations for their fellow referees. Advertising the camaraderie of the Association through such media can only give visitors a positive view of the Association.

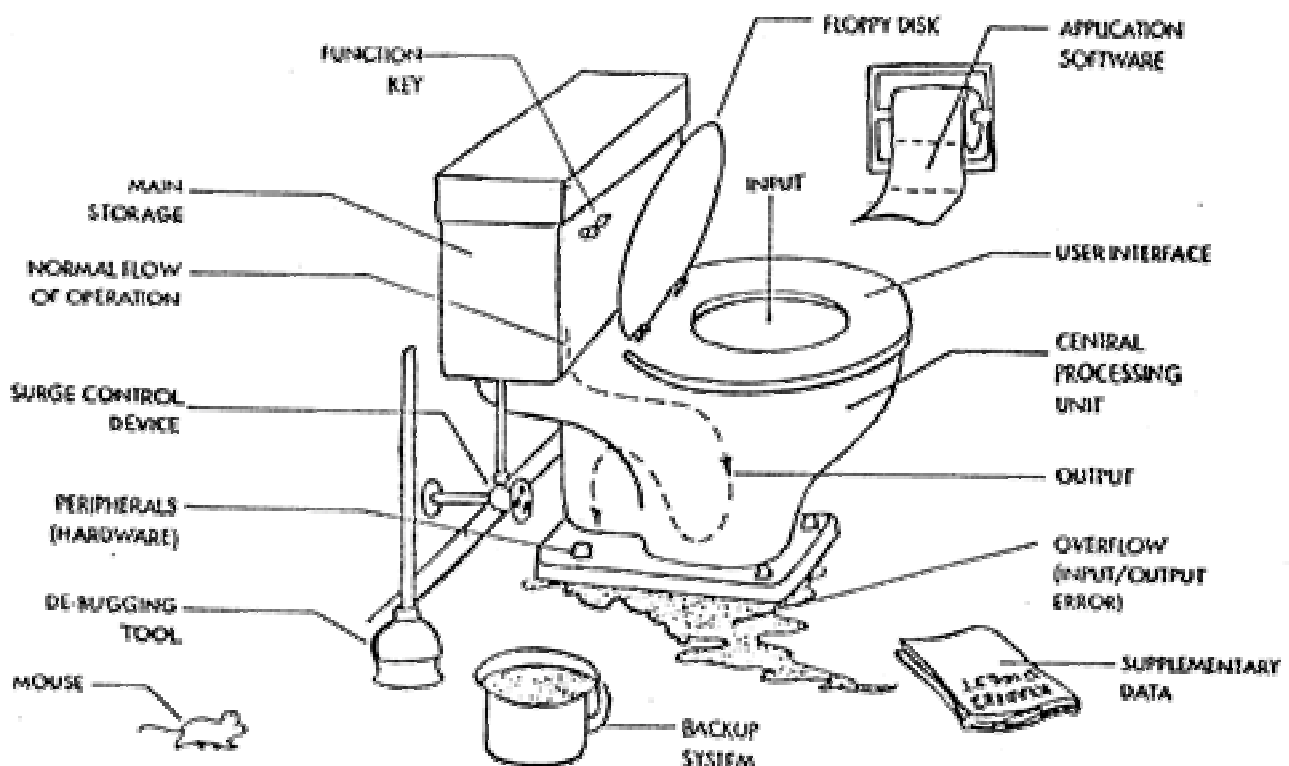

Again, if anyone has suggestions or comments, please let us know so that we can continually improve the quality of **YOUR** web site.

Thanks to every one who has contributed to the site, particularly with pictures and “gossip” for “Fair Go Ref”. Special thanks to Brett Lynch and James Davidson for the Ladies Night photo’s and a BIG THANK YOU to all the members who have visited the site.

Congratulations to everyone on season 2002. Enjoy the off-season and see you all next year.

Jason Robinson & Russell Turner

UNDERSTANDING COMPUTER TECHNOLOGY

Gear Stewards Report – 2002

The start of the season saw the approval and purchase of our new on field attire, green/black jerseys with black shorts and black socks. The new gear was aesthetically pleasing and enhanced the appearance of all referees.

The season had just commenced when it was announced we had a new sponsor with Doug Delaney's company DIZ Home Improvements coming on board. Let's hope this sponsorship is long term, something of which we are not used to of late.

104 "gear packs" (jersey, shorts and socks) had been distributed and all jerseys were "recalled" and sent to Trisports to have the logo attached and then redistributed.

Off field gear purchases were at a minimum however with a commitment to continued long-term sponsorship we hope to purchase new attire next year.

Special thanks to Al Farlow for his invaluable help and support, Chris Ward and Matthew Sullivan from Trisports for "coming good" when the pressure was on and DIZ Home Improvements.

I wish each and every member a safe and happy off season and holiday period and look forward to seeing you all again next year.

Yours in Sport,

John Robinson

Gear Steward 2002

Juniors vs. Seniors:

The “Alternative” Scorecard

The Seniors dressing room was abuzz in anticipation of the upcoming contest. Secret tactics were being discussed and positions had been decided when all of a sudden, a knock came at the door. It was a representative of the Junior team asking for extra players. Suddenly 2 players jumped to their feet and jumped ship to the Junior dressing room, where the tactics and positional plays were now common knowledge amongst the opposition. For this ingenious ploy, Juniors were awarded a star.

Juniors * - Seniors 0.

The Seniors win the toss and the ball is kicked off. The early encounters are solid and an arm wrestle ensues. Juniors put on a sizzling length-of-the-field try showing great speed and even better support. Star to the Junior team. The conversion is successful, bonus star! **Juniors *** – Seniors 0.**

The first scrum of the match is packed. The Juniors second rower won't put his head in the scrum so the referee penalises him after his 3rd chance. Star deducted. At the next scrum the same player advises the referee that he can't fit his head between the second rower and the hooker! On compassionate grounds, the star is returned.

Senior team puts on a great move up the middle and with several players involved; a great try puts them back in the match. Star given to the seniors. However the conversion misses from (nearly) in front. Star deducted!

A junior player is penalised for questioning the heritage of the referee whilst in possession of the ball. Star deducted. **Juniors ** - Seniors 0**

On the next set of 6, a Seniors player echo's the thoughts of the aforementioned Junior player. A penalty follows; a star is also deducted, although the referee is then quizzed about his consistency. Extra point deducted. **Juniors ** – Seniors (minus)**.**

Seniors barge over for a second try, taking the lead. Seniors are on a roll, conversion more difficult but a gallant attempt fades to the right. Star Seniors. **Juniors ** – Seniors (minus)*.**

Seniors halfback tries to feed the scrum for the third time with the ball in one hand. After third attempt to feed, he throws it in with such force that it rebounds off his own lock's feet straight into the hands of the opposition halfback. Without retiring a centimetre he pulls off a tackle on the half. For stupidity, a star is taken off the Seniors and given to the Juniors. **Juniors *** - Seniors (minus)**.**

Seniors are really getting on a roll with field position and loads of possession. Another try looks ominous when a senior barges over in the corner. Despite howls of outcry from the six self-appointed in goal judges the referee calls held up short very confidently. Half time analysis (by popular vote) upholds the decision of the in goal squad. In lieu of four points being awarded at the time, four stars are now given to the Seniors. **Juniors *** - Seniors ****.
Half time break and no-one brings the referee a drink, so one star deducted from each team. **Juniors ** - Seniors ***.

Juniors start the second half on fire. A try in the corner is met with protests from the Seniors players. The referee is still frightened of upsetting the in goal judges in that corner again so the try is awarded. **Juniors *** - Seniors ***.

Seniors take back the lead with a try reminiscent of the Newcastle Grand Final victory, a last tackle blind side play sets up a try on the inside. Unfortunately the difficult conversion again misses. **Juniors *** - Seniors ****.

Fatigue is again starting to set in with a period of dropped balls, missed tackles and other errors. Game deteriorates into a blame-a-thon. Star is deducted from each team. **Juniors ** - Seniors ***.

A close range try sets the Seniors into a comfort zone. The second string kicker provides a close attempt but the change in kicker brings no change to the touch judges signal. **Juniors ** - Seniors ****.

A clearing kick from the Junior team sees the warhorse slip whilst gathering the ball. The referee, now feeling sorry for the Junior team, sees an opportunity to close up the game and calls a knock on despite the fact that the ball had rebounded off his chest. The warhorse is shocked by the decision but shows more sportsmanship than anyone else on the day in accepting the referee's decision. Star awarded for valour. **Seniors *** - Juniors ****.

The new Seniors hooker decides to have a lay down in the scrum, the referee disagrees. **Seniors ** - Juniors ****

A signal follows the penalty and the Juniors hooker grabs the ball and tells the referee that they will take a shot for goal! Referee advises him that a scrum penalty is a differential and a shot cannot be taken. As he then changes his intention another Junior player runs up and tells the referee that he too will take a shot at goal! (And yes they are both Junior Rep referees...) Star deducted from Juniors for not applying the rules. **Seniors ** - Juniors ***.

Seniors score again to really rub salt in. A scrum base move leads to the "big guy" going over untouched. **Seniors *** - Juniors ***.

With a couple of minutes to go, the blow out occurs and the Seniors again put the ball down over the line. **Seniors **** - Juniors ***.

Penrith District Rugby League Referees Association
36th Annual Report and Financial Statement – Season 2002

Fulltime and the Seniors have emerged victorious. Juniors take the defeat with grace, drinks are shared and the war stories begin. All players are happy that for the first time in years there are no serious injuries and the gravel rash that was prevalent at Leonay was not present on this day.

Life Membership Report

The Life Membership Committee has submitted the names of the following members to be considered as the recipient for Life Membership in 2003:

Fred Lucas

Fred Lucas joined the Association in 1987 and likes nothing more than getting involved with players and spectators alike. He has been an active member during this time reaching A Grade standard and in 2000 and 2002 was rewarded with the A Grade Division 2 Final.

Fred has attended 53% of Association meetings.

| | |
|----------------------------|---------------|
| Advisory Panel | 1996-99, 2002 |
| Penrith DJRL Delegate | 1999-2002 |
| Social Committee | 1997-2002 |
| Coaching Director | 2002 |
| Board of Management Member | 2002 |

Jason Robinson

Jason Robinson joined the senior branch in 1991. Jason could best be described as the Association's "Peter Pan" somehow remaining eligible for the junior's side each year despite being thirty something. Jason has been actively involved in the development of new and not so new Referee's, his involvement has not decreased any despite being graded in 2000.

Jason has attended 82% of Association meetings

| | |
|----------------------------|-----------|
| Secretary | 1997-2000 |
| Advisory Panel | 1995-2000 |
| Gear Steward | 1996 |
| Social Secretary | 1996 |
| Proxy Delegate P.D.R.L. | 1996 |
| Appointments Board | 2002 |
| Board of Management Member | 2002 |
| Publicity Officer | 2000-2002 |
| Internal Auditor | 2001-2002 |

Russell Turner

Russell joined the senior branch in 1990. He quickly established himself as a Referee of enormous potential. This assessment of Russell proved to be correct as he was graded in 1999 and reached the NRL first grade in 2002. Russell's ability to count as an interchange official was recognised by the Association and he was elected Internal Auditor in 2001.

Russell has attended 60% of meetings

| | |
|------------------------------|------------|
| NSWR.L.R.A. Delegate | 1995-1996 |
| Proxy Delegate P.D.R.L. | 1991 |
| Promotions/Publicity Officer | 1993, 2002 |
| Treasurer | 1999-2000 |
| Social Committee | 2000 |
| Internal Auditor | 2001-2002 |

Peter Butler

John Robinson

LIFE MEMBERSHIP COMMITTEE

Tony Butler 2002 Penrith D.R.L. Referees Association Life Member

Joe Beacroft Memorial Trophy

Ray Steele Memorial Trophy

Jack Harris Merit Award

The Jack Harris Merit Award is our Associations most prestigious award. This year, as in previous years, the task of selecting a recipient was just as difficult. There were several members whose efforts during the year identified them as worthy candidates.

Some of the factors used to determine this year's winner were:

- A willingness to stand for positions of office and fulfil these positions to the best of their abilities. Always willing to assist when and where required.
- A participant in events both on and off the field, with all members' best interests being the ultimate result. NEVER putting their personal goals before the chance to improve qualities their fellow referees display.
- A sense of humour, no matter how frustrating the situation, when dealing with others both as a pupil or a teacher. Always treating fellow members and others with dignity, fairness and respect.
- Being dependable and dedicated in their duties as a referee. Showing a personal pride in on field presentation, dress, knowledge of the rules and their effects on others. Having an exemplary manner at meetings, judiciary and functions.

Congratulations **Barry Beveridge**. You are a worthy recipient of this award for the year **2002**.

**Luke Evans, Allan Farlow,
Gary Haines**

Merit Award Committee

Michael Grady Merit Award

The 2002 season saw the numbers of members between the ages of fourteen and eighteen, in our Association increase to make a strong and exciting section of referees. Their efforts to attain the high standards set by their fellow juniors and predecessors made the Michael Grady Merit Award a difficult task to decide a winner. The number of members showing attributes that were considered essential for this award is very encouraging.

The committee believes that **Thomas Aylett** has displayed all the qualities required to be the recipient for this year's award. Some of these being dedication, a willingness to learn, presentation, enthusiasm, consistency, respect and pride for their chosen sport.

Thomas has led by example as a referee justly deserving the appointments he has received during this season. He has always been willing to assist this Association whether as a Referee, running as a Touch Judge or assisting in the development of his fellow younger referees.

Showing commitment and enthusiasm in doing what he obviously loves – Refereeing. Thomas has been a role model for his peers, helping maintain a standard for others to strive to achieve both at a junior or senior level.

Congratulations to **Thomas Aylett** winner of the Michael Grady Merit Award for the year **2002**.

**Luke Evans, Allan
Farlow, Gary Haines**

**Merit Award
Committee**

Reg Newsome Most Improved Junior Referee Award

Reg Newsome was made a life member of the Association in 1987. Reg had devoted many hours into the development of our Junior Referees throughout the late 70's and most of the 80's. Names such as Phil Battin, Tom Peet, Luke Evans, Justin Lavin, Michael Bunnage, Michael Quinn and Jason Robinson all had the benefit of Reg's influence on their careers.

This year's most deserved winner was **Brad Filmer**.

TriSports Award

The TriSports award was introduced this year. Allan Farlow negotiated the award with Chris Ward of TriSports PTY LTD as an incentive to develop Refereeing in the Penrith District and beyond. The award was selected by the Board of Management using the following guidelines;

The award is open to any Referee in the Penrith Referee's Association who meets the criteria.

- The award should go to assist in his/her development in Refereeing.
- The award is to be presented to an active referee under the age of 23 with any level ticket or any aged referee who has held their ticket for less than five years.
- The award is open to either a Saturday Referee, Sunday Referee or both.
- The recipient should have officiated, or made themselves available in trials.
- Fulfilled at least 90% of appointed matches unless prevented by other league business (for example a Junior Representative Appointment).
- Attendance at training to be at least 80%.
- The recipient must have demonstrated a willingness to help develop themselves as a Referee, and take an interest in Association Activities.
- Both on and off the field, they must dress and conduct themselves in a manner that brings a positive image to the Association.

The Board of Management selected **Adam Dengate** as this year's recipient.

A special thank you to Chris Ward
Allan Farlow for the Award.
